WHAT WE DO

Video intercoms and doorbells, done properly.

A video doorbell or intercom at a usable height, connected to a phone or in-home screen, with remote door release where suitable.

- Planned around the person and the therapist recommendation
- A free site visit with measurements and photos
- Itemised written quote a plan manager or funder can follow
- Walk-through and sign-off at handover

WHAT IT COVERS

What we supply and install

- Wired video intercoms with indoor screens
- Wi-Fi video doorbells
- Smart displays for answering the door
- Door release and electric strikes
- Flashing-light chimes

Planned with you

We start with what is hard at home, not a product list.

Done properly

Licensed trades where the work needs them, tested on site.

Clear quote

Itemised, so a plan manager or funder can follow it.

Local team

Greater Sydney to Newcastle.

HOW IT WORKS

From first call to handover.

1. **You call or send an enquiry**
   We ask what is hardest and who is involved. No sales script.
2. **Free site visit**
   We measure, photograph and talk through options. Therapists can join.
3. **Written quote**
   Itemised and linked to the recommendation.
4. **The work**
   Done by the right trades. We tell you before anything changes.
5. **Handover**
   Walk-through, sign-off, photos and invoice to whoever needs them.

COMMON QUESTIONS

Straight answers.

Do I need the internet?
Some systems work on a local connection and others need internet. We explain which is which.

Can the door be opened from the intercom?
Yes, with an electric strike or smart lock. We set that up where it suits.

Do I need a subscription?
Some doorbells need one for recorded footage. Live view and talking usually do not. We tell you before you choose.
